# 2009 Hunter's Log - White-tailed Deer

Hunter Name_____

Montana ALS #_____

Hunt Unit (please check your hunt location):

☐ South Unit-BMA ☐ Teller-Managed Central Unit ☐ Teller-Managed North Unit

**Note:** *Management of the White-tailed Deer hunting program at the The Teller requires collection of total hunter days, deer harvest and observation data. This information will assist The Teller with development of future season lengths and harvest objectives.* ***At the completion of your hunt, you must return this log to The Teller office.*** *Thank you for your support and cooperation.*

| Date Hunted | Hours Hunted AM and PM | Deer Harvested | Buck - # of points (harvested) | Antlerless Adult/Yearling (harvested) | Total Deer Observed | Notes: (I.E. Trespassers, Unique wildlife sightings) |
