- ❖ *TnT Auction Donations*

Greetings from The Teller!

I am writing to invite you to consider an investment in The Teller through the donation of an auction item for our 16th annual TnT Celebration. The TnT Auction and Dinner fundraiser is our largest event of the year and celebrates the memory of two dedicated conservationists, Otto Teller and Phil Tawney, who left a precious gift and an enduring legacy when they established The Teller.

As the Bitterroot Valley's summer kickoff event, the 2009 TnT raised nearly \$84,000 for our mission programs. The event has sold almost 250 tickets for the past six years. This support for The Teller mission would not have been possible without the donations of individuals and businesses like you who give generously toward our mission each year.

Your donation will go directly to support our mission of **conservation and education** programs that benefit both younger and older audiences in our 1,200 acre outdoor classroom. The Teller is dedicated to promoting a deeper appreciation for habitat conservation, and conserving the rural and agricultural integrity of the Bitterroot Valley, while enhancing the land for the benefit of fish and wildlife.

Your gift will help The Teller continue its valuable conservation mission. In return, we will recognize and promote your gift to the 250 TnT attendees, and nearly 3,000 readers of The Teller newsletter. If your auction donation is received by May 31, 2010, you will be recognized in the TnT event program. We will also include you in a Ravalli Republic thank you ad.

Thank you for your support of The Teller and our conservation efforts in the Bitterroot Valley. We hope to see you on June 19th at the TnT!

Sincerely,
